A WELCOME TO THE NEW MEMBERS,

Congratulations on joining the Mat-Su Alaska HOG Chapter 1836. There are many activities for you to participate in as a member of this chapter. Call the HOG Hotline to get the latest information or review the chapter calendar and newsletter for future activities. Be a regular at the chapter meetings to help give suggestions for future events, check the calendar for the next scheduled meeting.

Events to watch for:

1. **Denali Patch Program:** Get a Denali Passport to track your points as you attend meetings, volunteer to help, attend cruises and other events. 20 points is all you need to attain your Denali Patch.
2. **Rides:** We have a variety of scheduled rides to choose from; including weeknights, weekends, and some overnight events starting in May to the end of September. For the regular weeknight rides we meet at Denali H-D at 6 p.m. with a full tank of gas for a group cruise to a designated destination. There is a route and safety briefing at 6:30. the group leaves the dealership at 6:45 p.m. sharp and the cruise is about an hour long. We sometimes go to a restaurant, a park for a BBQ, dessert runs, brown bags, etc. We separate riders into groups that suit their riding experience and speed preference.
3. **Fundraisers:** Most events have a split-the-pot/poker run type activity to help pay for prizes and other expenses incurred. We also do other fundraisers throughout the year such as bike washes, gift wrapping, auctions, bake sales, etc. Most activities also have door prizes.
4. **Weekend Rides:** There are typically three or four organized long rides each year. The rides take you through the Alaska countryside anywhere from Homer to Fairbanks. Information and times for these rides will be provided by e-mail, hot line, and web site updates.
5. **Unofficial group rides** will take you to Rallies, memorials, campouts, and many other destinations. Members are encouraged to organize unofficial rides on their own—call some of your new found friends and invite them on a ride.
6. **Winter activities** include dinners, socials and other events to bring members together during the non riding season to keep friendships, memories and stories alive.
7. **Safety** seminars will be taught by chapter officers to help all members keep current on helpful information. We have Road Captain training classes as well as Group Riding Instruction. These classes are recommended for all skill levels to either learn or brush up on your skills. You will learn how to ride safely in a group, hand signals, etc. New member orientation is included in the Group Riding Instruction Classes.
8. **Newsletter:** Receive our monthly newsletters electronically. Provide your e-mail address to receive weekly updates and a full color electronic newsletter. Members not having e-mail may pick up their copy at Denali Harley Davidson on Hyer Road.
9. **E-Mail:** Join our E-mail list. The purpose of this chapter member only e-mail list is to inform you of upcoming chapter events, schedule changes, etc. Strictly chapter business only will be circulated. Send a note to director@matsuakhog.org to be added to the e-mail list!

Hi Everyone,

Hope everyone had a good weekend. LOH sponsored a overnight ride to Mendeltna Creek Lodge in August. The day started off great and got better. We met at the shop at 9:00 and signed in and left with 11 bikes. Our first stop was at the Glacier View RV Park and Restaurant. Had a great breakfast and great conversation with each other and the owner who by the way is a HOG member. From there, half of us went north and the other half went back. I

would like to thank Deb Walser (road captain) and Bob Johnson (sweep) for doing a great job. I would also like to thank Jon and Linda Boone for going back and helping with the open house at DHD. The lodge was a very quaint place, so if you have not been there I suggest you go have the Alaska Experience. The owners are Russ and Mable, very nice

and trusting people. All in all everyone had a great time and returned safe to their cozy homes. I hope to see more of our members come out for this event next year. Thank you and have a great last part of the summer.

LOH Officer
Cynthia Johnson

Sudoku How To:

The objective of the game is to fill all the blank squares in a game with the correct numbers. There are three very simple constraints to follow. In a 9 by 9 square Sudoku game:

Every row of 9 numbers must include all digits 1 through 9 in any order

Every column of 9 numbers must include all digits 1 through 9 in any order

Every 3 by 3 subsection of the 9 by 9 square must include all digits 1 through 9

Is fhearr fheuchainn na bhith san duil

It is better to try than to hope
